RR 511 Magnetool Model 72-30 Magnetic Picker
4-5 lb picking capacity
30" handle
Pull release on handle
Magnetool Multilifts provide an effective and rapid means of lifting small iron and steel parts from stock bins, boxes, kegs, tables, or floor. Smooth, uninterrupted side surfaces allow fast, easy burrowing into loose materials. A fingertip pull on the release bar drops the load. The standard units have a nylon lower case.
