2 Units available: S/N: 850073, and s/N: 816171

Handles up to 11x17? stock.

Reduce paper jams in your copier by jogging the paper first. This puts air between the sheets to loosen them up which reduces double feeds and jams. These pocket style paper joggers will hold a full ream of paper. Great for jogging checks, cards, business

forms, and other paper stocks. The small footprint allows it to sit easily on a desk or table and plugs into a standard wall outlet. Easily holds 8.5"x11" paper and will accept larger paper up to 11"x17". The Lectrojog jogging action turns a jumbled stack of paper into a neatly organized product.
